Hi Sherwyn and Richard

Yes, Richard is on the right track and it would be good if he could engage with Clark and Ashley re the report. You may recall the "story line" that I drafted after our Auckland meeting. That was focused on the analysis but was nevertheless targeted at a wider audience.

I am about to go through Clark's report in more detail. I will send comments through, but they are unlikely to alter the main thrust that Richard has identified.

Regards and thanks

David

Dear Richard

You will see that Helen has raised the Executive Summary point already, and what you say below reflects the point I made at the telecon that the report should answer the same key questions as the other reports. For my part I would be happy for you to do as you suggest. But I do think it's important that you can say you are doing this for David in his absence, so you will need his OK. He may have other points too.

Thanks
Sherwyn.
